Thanks and welcome to the Minbie family + a discount

## Dear Miss

I am one of the owners of Minbie and I wanted to take a second to say hello and welcome to our family.

By making a purchase from us, you have become a vital part of our success here at Minbie and I just wanted to show you how grateful I am that you chose us.

I know you are going to love your new Minbie products. Here at Minbie, we know you don't want your baby to develop lazy feeding habits. And if your baby is breastfed at least some of the time, we know you'll be especially keen to prevent nipple confusion. That's why we developed a unique, multi-award winning, anti-reflux, anti-colic and anti-mastitis bottle system to support the mother-baby breastfeeding bond and nurture your baby's instinctive breastfeeding technique.

Here's what you can expect from us:

We'll send you information about caring for your Minbie products and your baby. We'll also send you other useful and interesting information as well as the occasional gift.

*Sound fair? GOOD!*
